Other Information

UBM is non-denominational

We have a clear emphasis on the final authority of Scripture and the necessity of personal conversion. Team leaders are men of spiritual maturity with ability in evangelism. Team members are asked not to push particular experiences or divisive doctrinal views.

Training

UBM is excellent training in children's work, family evangelism, openair evangelism and evangelism in general. Those who have never done anything like this before, work with experienced team members and together learn about the Lord and His service.

Accommodation

We usually stay in church halls and team members will need to bring a sleeping bag and something to put it on. Specific accommodation details and directions will be sent after your application is accepted.

One of the team will be the designated cook. Low cost family accommodation or caravan space is available at some resorts. Please ask the office for further details.

How else can you support UBM?

You can certainly help by praying for UBM. Simply tell us your email address and we can send you the prayer letter. They are weekly from May to the end of August and monthly the rest of the year. Perhaps you could also promote the work of UBM. If you would like someone to run a UBM evening or do a promotional slot at your church, youth group or Christian union then please contact the office.

Who can join a team?

Anyone 15 (17 for Christian Answer teams) or older by 31st August who has trusted Jesus Christ as Saviour and Lord and believes the Bible to be the word of God, the final authority in all matters of faith and conduct. Previous experience or special abilities are not necessary but will be useful. You must be in fellowship with an evangelical church, agree to our doctrinal position and become a UBM member.

Further Info

Once you have been accepted for a team you will be sent more specific details relating to the type of mission you do and the centres you applied for.
