## Team Principles

### Love for the Lord

UBM puts a priority on every team member spending time in Bible reading and prayer each day, both personally and with the team. Only by doing this can we look to God to bless.

### Love for each other

There is great strength in the united witness of people of different ages and backgrounds. We ask team members to be considerate to one another and not cause offence or be a hindrance. This includes avoiding casual flirtation with the opposite sex, refraining from smoking, alcoholic drink and being modest in dress. Team members must accept the authority of the leader and avoid extremes of fashion or hairstyle.

### Love for the lost

Team members share in corporate and personal evangelism, and are expected to attend all activities. Personal witness is a part of the joint outreach and team members will be given training for this.
